PHILIPS Lighting

Dynalite Integration Devices

DDNG485

Within any modern project, many third-party systems can be found performing different roles. Each separate system may use a different protocol for communication. Philips Dynalite has developed a range of gateway devices that can be used to synchronize these systems' functions into one integrated system solution. By utilizing the correct gateway, different systems can be integrated, allowing end-users access to a fully automated site from one interface. By successfully integrating third-party systems with a Dynalite solution, repetitive enduser interaction is reduced.

Product data

General Information	
Remarks	Please download the Lighting - Product Data Sheet for
	more information and ordering options
CE mark	CE mark
EU RoHS compliant	Yes
Temperature	
Ambient temperature range	0 to +50 °C
Product Data	
Order product name	DDNG485

Full product name	DDNG485
Full product code	871016350787300
Order code	913703081209
Material Nr. (12NC)	913703081209
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8710163507866
Numerator - Packs per outer box 1	
EAN/UPC - Case	8710163507873
