

Dynalite User Interfaces

DPN941F1

DPNA Classic Series NA

The DPNA Classic series user interfaces are a popular choice for commercial and residential applications, providing an integrated automation solution. The DPNA range is suitable for, but not limited to, North American, South American, Australian and New Zealand markets. The 12NC code is for the 4 Button Preset, with Single Fader keypad. Please contact your local Philips representative for product variations.
