

# Dynalite Integration Devices

## DNG232-NA

Within any modern project, many third-party systems can be found performing different roles. Each separate system may use a different protocol for communication. Dynalite has developed a range of gateway devices that can be used to synchronize these systems' functions into one integrated system solution.

### Product data

General Information		Order code	913703581209
Remarks	Please download the Lighting - Product Data Sheet for more information and ordering options	Material Nr. (12NC)	913703581209
		Numerator - Quantity Per Pack	1
		Numerator - Packs per outer box	1
