

Dynalite User Interfaces

DLP910

DLPA Standard Series NA

Anything but standard, the DLPA range is beautifully formed and highly functional. Built with the full Philips Dynalite feature set, these simple yet elegant interfaces bring the full power of the automation system to the touch of a button. The DLPA range is suitable for, but not limited to, North American, South American, Australian and New Zealand markets. The 12NC code is for the 1 Button Configurable keypad. Please contact your local Philips representative for product variations.
