

# Cabinet Controls

## LLC7740/00 Coded Mains Receiver Adaptor

Philips Group Cabinet Control enables remote grouping, monitoring and controlling of diverse outdoor luminaires. Customers can control their lighting installations, through a retrofitted modular cabinet solution in the electrical cabinet. Supports optimised energy consumption and manages KPIs better. The solution autonomously executes complex tasks based on the configurations. The Controller can automatically switch between different available communication carriers to provide stable and reliable communications to Interact applications.

### Warnings and Safety

- Refer to Documentation portal for all technical documents (<https://www.partner.portal.signify.com/>)
- Check the local LTE applicable band before placing an order for the controller
- No UL certification in the Gen3 controller and modules
- Update forecast for Gen3 in the Koolog tool to ensure on-time delivery for projects

### Product data

Product Data	
Order product name	LLC7740/00 Coded Mains Receiver Adaptor
Full product name	LLC7740/00 Coded Mains Receiver Adaptor
Full EOC	871869672395100
Order code	72395100
Material no. (12 NC)	913713612180
Local order code	LLC7740

SAP numerator – quantity per pack	1
EAN/UPC – Product/Case	8718696723951
Numerator – packs per outer box	12
EAN/UPC - Case	8718696723968
