

GrandeVille LED

BPS962 GRN29/830 A DF CLO C4K

Grandville LED, Cable 4.0 m without plug

Today's customers want luminaires that provide both energy efficiency and a visually-comfortable light effect. Philips GrandeVille LED luminaires offer the perfect combination of functional and aesthetical characteristics. A classic design, clean lines and robust materials make this LED lighting ideal for all urban settings. The luminaire is well shielded and delivers clear white light, creating a pleasant ambience at the same time as enabling good energy savings. GrandeVille LED luminaires (BPS962) are suitable for mounting on poles or wall brackets. They are also available with a choice of rotation-symmetric light distribution or asymmetric light distribution, which prevents undesired spill light from this classic street lighting. A cover is available in gray or white, which must be ordered separately.

Product data

General Information		CE mark	
Driver included	Yes	Yes	
Remarks	*-Per Lighting Europe guidance paper "Evaluating performance of LED based luminaires - January 2018": statistically there is no relevant difference in lumen maintenance between B50 and for example B10. Therefore, the median useful life (B50) value also represents the B10 value. * At extreme ambient temperatures the luminaire might automatically dim down to protect components	Operating and Electrical	
Product family code	BPS962 [Grandville LED]	Cable	Cable 4.0 m without plug
Lighting Technology	LED	Temperature	
Value ladder	Value	Ambient temperature range	-40 to +50 °C
		Controls and Dimming	
		Control interface	-
		Constant light output	Yes
		Over Time Performance (IEC Compliant)	
		Control gear failure rate at median useful life 100000 h	10 %

GrandeVille LED

Lumen maintenance at median useful life* 100000 h L100	
Application Conditions	
Performance ambient temperature Tq 25 °C
