

TuffGuard Coated T12

F40T12/NX/ALTO TG 30PK

When you select Philips TuffGuard™ Fluorescent lamp with ALTO® lamp technology, you are reducing the impact on the environment, while the coating helps to protect your customers, employees, and reputation. Philips TuffGuard™ fluorescent lamps meet sustainability requirements because they reduce the impact on the environment with low mercury, energy efficiency and long life. The patented green endcaps mean you're using ALTO low-mercury technology. The 16 mils thick coating on TuffGuard™ fluorescent lamps forms a protective seal from end to end and is guaranteed to last the average rated life of the lamp under specific conditions

Warnings and Safety

- All HO lamps recommended for use only in open fixtures.
- Lamp contains mercury.
- Manage in Accord with Disposal Laws.
- See: www.lamprecycle.org or 1-800-555-0050

Product data

| General Information | | Mechanical and Housing | |
|------------------------------------|---------------------------------|-------------------------------|------------------------|
| Cap-Base | G13 [Medium Bi-Pin Fluorescent] | Bulb Shape | T-12 (T12) |
| Features | ALTO® (ALTO) | | |
| Light Technical | | Approval and Application | |
| Luminous Flux | 2,550 lm | Energy Saving Product | Energy Saving |
| Color Designation | Neutral DX | Mercury (Hg) Content (Nom) | 4.4 mg |
| Correlated Color Temperature (Nom) | 3500 K | | |
| Color rendering index (CRI) | 88 | Product Data | |
| | | Order product name | F40T12/NX/ALTO TG 30PK |
| | | Full product name | F40T12/NX/ALTO TG 30PK |
| | | Order code | 423103 |
| | | Material Nr. (12NC) | 927888004905 |
| | | Numerator - Quantity Per Pack | 1 |
| Operating and Electrical | | | |
| Power Consumption | 40 W | | |
