

# Low Pressure Sodium - SOX

## SOX 180 6PK

High energy efficiency low pressure sodium lamps for indoor and outdoor applications.

### Product data

| General Information                |                                          |
|------------------------------------|------------------------------------------|
| Cap-Base                           | BY22D [BY22d]                            |
| Operating Position                 | P20 [Parallel +/-20D or Horizontal(HOR)] |
| Life to 50% Failures (Nom)         | 18,000 hour(s)                           |
| Light Technical                    |                                          |
| Correlated Color Temperature (Nom) | 1800 K                                   |
| Luminous Efficacy (rated) (Nom)    | 176 lm/W                                 |
| Operating and Electrical           |                                          |
| Power Consumption                  | 180.0 W                                  |
| Lamp Current (Nom)                 | 0.78 A                                   |
| Voltage (Nom)                      | 240 V                                    |
| Voltage (Nom)                      | 240 V                                    |
| Controls and Dimming               |                                          |
| Dimmable                           | No                                       |
