

Designer Floodlight DF5

DF5 FLM 42F C Fluorescent Medium

DF5 FLM 42F C Fluorescent Medium

Lighting professionals and specifiers are often confronted by situations where delicate low voltage landscape lights are inadequate and large-scale floodlights simply overwhelm with physical size and lumen output. The Philips Gardco DF5 Designer Flood elegantly fills this void in the lighting plan with an exceptionally versatile, high performance floodlight that offers durability, an inconspicuous profile and six different distribution patterns. The trademark soft barrel design of Philips Gardco floodlights is mirrored in the DF5s minimalist contemporary lines. Less than 12" wide by 5" deep (30.5cm x 12.7cm) the luminaire design is nevertheless substantial in appearance and construction & 100% commercial grade. The aluminum housing and mounting knuckle are die cast, and finishes are fade and abrasion resistant powdercoat. The DF5 then looks and acts the part of its larger Philips Gardco siblings, but disappears neatly behind plantings, into bedding and building niches. The Philips Gardco DF5 offers a choice of six precision faceted optical systems each designed to provide a specific distribution and sharp cutoff of stray light always a Philips Gardco imperative. The precise facets of the optical systems, when combined with lamps up to 70 watts (42w triple tube fluorescent) give the lighting designer wide flexibility in both the placement of the luminaire and the nighttime lighting pattern. No comparable luminaire provides this measure of optical control.

Product data

General Information	
Lamp Source Code	CFL
Lamp Watts	42
Number of Lamps	1
Photometric Distribution Type	Medium
Mounting	Ground / Floor

Operating and Electrical	
Voltages	120/277/UNIV V
Mechanical and Housing	
Shape	Round
Product Data	
Order product name	DF5 FLM 42F C Fluorescent Medium

Designer Floodlight DF5

Commercial Code	DF5-FLM-42F-C
Order code	DF5-FLM-42F-C
Catalog Number Description	DF5 FLM 42F C Fluorescent Medium
Service / Spec Smart	-

Material Nr. (12NC)	GAR1004175
