

# Dome Top Louver School Bollard BRM822/826

Dome Top Louver School Bollard - BRM822/826,  
Shielded & Louvered, Black Paint, 42W CFL

Dome Top Louver School Bollard - BRM822/826, Shielded &  
Louvered, Black Paint, 42W CFL

In the schoolyard, bollards become objects for climbing on, hanging from, crashing into. Add the weathering effects of the elements and irregular maintenance and it's easy to see why there may be no more punishing environment for low level lighting. Philips Gardco School Bollards are specifically designed and field-tested to meet the most extreme challenges kids can dish out.

## Product data

General Information	
Lamp Source Code	CFL
Lamp Watts	42
Number of Lamps	1
