

Gullwing Area Small G13

Gullwing, 13" Housing, Medium Throw w/Solite Lens, 42W CFL

Gullwing, 13" Housing, Medium Throw w/Solite Lens, 42W CFL

An inspiration born of classic forms and thirty years practical experience, Gullwing is equal parts architecture, engineering and performance. This is a luminaire where the lines between form, function and performance are indistinguishable. By virtue of its minimal, contoured form, integrated die cast construction and powerful optical systems, it has changed the shape of high performance lighting.
