

# PureForm Area Small LED P21

21" PureForm, Type 2, 110W, Neutral White, External House Side Shield

21" PureForm, Type 2, 110W, Neutral White, External House Side Shield - 69 lm/W

Philips Gardco PureForm luminaires combine LED performance excellence and advanced LED thermal management technology with a distinct purity of style to provide outdoor area lighting that is both energy efficient and aesthetically pleasing. PureForm is defined by its high performance, sleek low profile design and rugged construction. The die cast aluminum housing mounts directly to a pole or wall, and has a maximum profile of just 3". The advanced LED optical systems provide IES Types II, III, IV and V distributions, as well as a Backlight Control optic. Special LEED corner cutoff optics are also available. All LED wattages utilize high performance Class 1 LED systems. The luminaire features a state of the art integral thermal control system to maximize LED performance and life, and to extend component life. Luminaires are finished with a fade and abrasion resistant TGIC powdercoat. PureForm luminaires are available in a wide variety of mountings and arms. All PureForm luminaires provide full cutoff performance. ADEX AwardWe are pleased to announce that the PureForm Luminaire has been named an ADEX 2012 Platinum Award Winner for design excellence.

## Product data

General Information		Operating and Electrical	
Lamp Source Code	LED	Luminaire Input Watts	162
Color Temperature	4000K	Voltages	120/208/240/277/347/480/UNIV V
CRI	70	Initial Performance (IEC Compliant)	
Photometric Distribution Type	Type II	Luminaire Lumens	11100

PureForm Area Small LED P21

Efficacy	69 lm/W
Product Data	
Order product name	21" PureForm, Type 2, 110W, Neutral White, External House Side Shield
Commercial Code	P21-2-110LA-NW-EHSS
Order code	P21-2-110LA-NW-EHSS

Catalog Number Description	21" PureForm, Type 2, 110W, Neutral White, External House Side Shield
Service / Spec Smart	-
Material Nr. (12NC)	GAR7002408
