

943 Step Light LED

943L-21L-NW-RDG-WH [N/A]

943L-21L-NW-RDG-WH []

The Philips Gardco 943L recessed aisle lights are architecturally styled luminaires precisely constructed of die cast aluminum, providing light with high performance, long life LED systems. Retrofit kits are also available, making it possible to update installations of classic 943 Philips Gardco fluorescent and HID step lights to LED without the need to replace the back housing. A field adjustable junction box enhances design flexibility. Self-compensating silicone gasketing completely excludes moisture, insects and contaminants. A choice of three (3) architecturally designed faceplates allows for a variety of applications.

Product data

General Information	
Lamp Source Code	LED
Lamp Watts	21
Colour Temperature	4000K
Mounting	Recessed franse vertaling
Operating and Electrical	
Voltages	120/277/UNIV V
Mechanical and Housing	
Shape	Rectangular

Initial Performance (IEC Compliant)	
Luminaire Lumens	300
Product Data	
Order product name	943L-21L-NW-RDG-WH [N/A]
Commercial Code	943L-21L-NW-RDG-WH
Order code	943L-21L-NW-RDG-WH
Catalog Number Description	943L-21L-NW-RDG-WH [N/A]
Service / Spec Smart	-
Material Nr. (12NC)	GAR7002847
