

PowerForm LED high output site and area luminaires (PFAS)

PowerForm site and area, Type 3, 92 LED, Neutral white, House side shield

PowerForm site and area, Type 3, 92 LED, Neutral white, House side shield - 78 lm/W

High output lighting doesn't have to mean high energy and maintenance costs. Philips Gardco PowerForm LED site & area and flood luminaires provide your outdoor area with bright, uniform illumination while slashing energy and maintenance costs compared to traditional lighting technologies. Now you can instill a sense of security and attract attention in any large area or floodlighting applications without the hassle of frequent relamping or high utility bills. A wide variety of sizes, optical distributions, mounting options, and industry leading lumen output ranging from approximately 20,000 to 100,000 lumens offer increased flexibility without under- or over-lighting the space.

Product data

General Information		
Lamp Source Code	LED	
Color Temperature	4000K	
Photometric Distribution Type Type III		
Mounting	Pole Arm Slip Fitter	
Operating and Electrical		
Luminaire Input Watts	230	

Voltages	120/208/240/277/347/480 V
Mechanical and Hous	sing
Shape	Rectangular
Initial Performance (I	EC Compliant)
Luminaire Lumens	17800
Efficacy	78 lm/W

Datasheet, 2018, May 15 data subject to change

PowerForm LED high output site and area luminaires (PFAS)

Product Data	
Order product name	PowerForm site and area, Type 3, 92 LED, Neutral white, House
	side shield
