

R6 Bollard

Bollard, Aluminum, 100W MH, 120V, Type V, Vertical, Cone Optics, Round

Bollard, Aluminum, 100W MH, 120V, Type V, Vertical, Cone Optics, Round

The R6 aluminum bollard is a versatile bollard luminaire ideal for commercial applications. It is available in incandescent, CFL, MH and HPS with wattages up to 100W. Also available with LED sources in warm and neutral CCT. Reflectors include Type V refractor bowl and a Type V specular aluminum internal cone with a stabilized, clear acrylic lens. A thermoset polyester powdercoat finish is electrostatically and available in three finishes plus an optional CraftStone™ finish. The RD6 luminaire features a 6" diameter body that's easy to lamp.
