

# Radius Track

## Radius Live End Canopy Matte White

### Radius Live End Canopy Matte White

Radius is sleek and streamlined, with a soft, rounded style that blends easily into any decor. Its slim and compact dimensions allow it to virtually disappear into the space. Radius is a single circuit track with a capacity of 20 amps at 120V per branch circuit. It can be either surface or stem mounted and used in continuous runs or patterns. Radius can also be field cut.
