L28, 100 HPS, CLEAR GLASS AND A SG2 OPTICAL SYSTEM

L28, 100 HPS, CLEAR GLASS AND A SG2 OPTICAL SYSTEM

Exemplifies Philips Lumec's ability to blend engineering know-how and old-time charm. Nothing has been left to chance in the design of the Hexagonal Lantern. These luminaires are able to fill a space with a warm and reassuring light. Behind the antique-inspired look, the Hexagonal Lantern luminaire reminds us that the past and the present are eternally linked and when combined together in a luminaire, they offer exceptional style.
