

# Pole Options - Plant Support (PS)

## PSCRA Plant Support Pole Option

### PSCRA Plant Support Pole Option

Lumec's plant support arms are designed to fit round, fluted, square and multisided poles using a central tubing inserted through two opposite holes or by a variety of cast aluminum arms. Consult factory for all plant support heights and orientations. <br> > Plant supports should hold plants at least 8 feet above the ground. <br> > Flower pot supplied by others. <br> <a href="http://www.lumec.com/Lumec3Dv2/home/index\_en.php" target="\_blank"><b>Lumec3D: Online 3D Configurator</b></a>
