

Helios Cobra Head (HBS)

Helios, Small Version, 250 MH, Type II, Short

Helios, Small Version, 250 MH, Type II, Short

A new twist on this classic and recognizable shape yields a stately architectural achievement. The bold shape and clean lines of the luminaire enhance the design while the interior of the luminaire showcases a tool free access system and IP66 optics which assures ease of maintenance, optimal photometric performance, and long life. Highly decorative and providing design versatility with a variety of mounting options, the distinctive all aluminum housing of this luminaire is produced from an alloy with a low copper content that assures a longer life. It has been designed to provide superior mechanical resistance to vibrations and wear under extreme conditions. The Helios is the perfect luminaire for high-traffic projects such as highways and city streets. [Lumec3D: Online 3D Configurator](http://www.lumec.com/Lumec3Dv2/home/index_en.php)

Product data
