

TownGuide LED Classic T Post Top (PBDP103)

TownGuide LED Classic T Post-Top, Clear, 128 LED, Type V

TownGuide LED Classic T Post-Top, Clear, 128 LED, Type V - 102 lm/W

Philips Lumec TownGuide LED Post-Top luminaires meet specifications without compromising your budget. With a wide choice of designs and unbeatable value, TownGuide is ideal for any urban project. TownGuide is available in three modern shapes: Flat Cone, Classic Cone and Classic T. Each offers configuration options including clear or frosted bowls, and a range of lumen packages, so it's easy to select the right solution to suit new lighting applications or seamlessly blend into existing areas. In addition to style options, TownGuide helps to minimize wasted light and energy, and also maximizes total cost of ownership, to reduce overall costs while complying with applicable lighting requirements.
