

Ancestra LED post top (AT10-AT20-AT30-AT40)

Ancestra 48 LED, Type 2, Sag Lens

Ancestra 48 LED, Type 2, Sag Lens - 89 lm/W

Its' eye-catching design will set your project apart. The Philips Lumec Ancestra LED post top and pendant luminaires present a new twist on an old-fashioned design. By combining the best aspects of past and present forms with the best that modern technology has to offer, the Ancestra luminaires epitomize Philips Lumec's design philosophy beautifully: to combine the best technology with an elegant design. Equipped with an optional copper cupola, a decorative cage, and crown accents, the result is a luminaire that complements any project with rustic flair and modern appeal without sacrificing photometric quality.
